Please read and follow all video submission instructions

Video submission deadline date: September 11, 2021

(DEADLINE DATES WILL BE STRICTLY ENFORCED)

Video is to be recorded with camera, smart phone, or tablet using the back camera lens only (no front facing camera videos). It must be recorded in landscape mode in mp4 format, HD 720dpi.

Minimize background items so that the dancer is clearly visible.

Make sure dancer is visible at all times from head to toe so that the judges can see the dancer's entire body.

No other individuals should be seen or heard in the video except the dancer.

To ensure that the judges can clearly see your routine, please record your video from the front view.

You will not be able to switch solo numbers or solo beats. These will be assigned to you.

Your video cannot be edited or contain any graphic, filters, intros, or exits.

No group names or banners are allowed to be visible in videos.

Please allow 4-6 seconds before you start music, and allow 4-6 seconds after the music stops before ending your recording.

Videos will be reviewed before being submitted to the judges. Videos that aren't clear will not be used, and participant will be notified. It is advised that you send in your video before the video submission deadline date in case resubmission is needed.

IMPORTANT: Please put your music sound source close to the device you'll be recording your solo with.
