4. Hover over and click on to "add special rate codes" right underneath the room area, and type in **TDC** in the Group Code box.

6. You should then be able to access the rates and room types set aside for your group.
7. The rest of the requested info is self-explanatory.

Also, please note that the **cutoff date for your block is before 10/4/24**. After **10/4**, the online option, 800 numbers will not be available, and all guests are advised to call the hotel with questions.
